### SEARCH NOTES

<b>Search Notes</b>	<b>Date</b>	<b>Examiner</b>
Text input, keypad, joystick, input sequence, portable device.	12/30/2010	YC
Claim 1 was amended to included data value to be a plurality of characters from claim 2. claim 1 now is rejected under 103 with same refs previously cited. Responded to argument regarding the combination of two refs, applying Rationale B, simple substitution of one known element for another to obtain predictable results.	7/16/2011	YC
